Fox BMW Adds X3 For Hole In One At Northport Promise Golf Tournament At Northport Point Club

BMW's stylishly sporty and more fuel-efficient X3 is the prize for a hole in one at the Northport Promise golf tournament at the Northport Point Club on Saturday, May 30. The hole in one prize is sponsored by Fox BMW of Traverse City. The golfer who aces the course's third hole, a par 3, drives home in the sleek all-wheel-drive 3.0-liter ultimate driving machine that starts at a suggested retail of \$39,700.

"The X3 and the Northport Point course have a natural affinity," said John Cueter, General Manager of Fox BMW. "It's the perfect vehicle for a grand course, and we're pleased to sponsor an event that plays such an important role in the Northport community."

Classified by BMW as a Sport Activity Vehicle, the X3 xDrive30i displays what Edmunds.com calls a very athletic personality. The luxury crossover features a beautiful interior with real-wood trim and top-rated comfort. With precise steering that Edmunds judges the best of class, the X3 also earned the highest score in crash tests by the Insurance Institute for Highway Safety.

The X3 caps a long list of tournament prizes, said Promise volunteer John Thomas, an auto industry veteran who worked with Fox BMW to arrange the hole in one event. "This par 3 is a deceptively challenging hole, and the X3 is the perfect prize for the golfer who aces it," he said. "We're thrilled that Fox BMW is sponsoring this event, and the hole in one prize is an exciting way to top off what promises to be one of the premier tournaments of the year."

To register for the tournament, call Neil Barnett at 231-386-5797 or 231-499-3864, or email patbar@aol.com. Tournament and course details are available at NorthportPromise.com. The hole in one event is open to all participants who have amateur status.

Fox BMW of Traverse City is part of the Fox Motors Group and operates as the Regional BMW Center, serving BMW owners from all over northern Michigan. A full-service

Fox BMW Sponsors Hole In One
